Colophon

The yearbook staff came up with the theme, *Today, Tomorrow, Always*, as a memoriam to the 1990's and 2000's. Timelines and lists of pop culture and history are found throughout each section of the book. Senior editor Rachael Abrantes designed the cover.

Jo-Anne Charette advised the Huttlestonian 2012. It was printed by Lifetouch Yearbooks in Love Parks, Illinois. The publishing representative was Katherine Curley. There were 120 copies printed in our press run. The book covers events from fall 2011 through the beginning of spring 2012. The font used was Times New Roman.

The cover is a custom designed, Litho Cover in full color process gloss ink. The trim size is 8 x 10.5. The cover is 150pt binders board with tight backed binding. The yearbook staff produced the entire book online using the Lifetouch Yearbooks, Volumes Premier Online program.

Senior portraits, underclassman portraits, school activities, and sports teams were photographed by Mare Studios and Galleries, Center Street, New Bedford, Massachusetts.

Administration

To the Class of 2012,

The class of 2012 will be remembered as a special class. You are the first graduating class at Fairhaven High School that I have known since freshman year. I remember when you were new students to the building, learning things like the difference between rooms 107 and 107M or why not all stairways lead to the third floor. Now you walk the halls with pride and confidence. You help others to understand the nuances that make our school unique. I am amazed at how you much you have learned over the years and how much you have matured.

Many people have helped contribute to your success: teachers, family, friends, counselors, and others. We realize that we were only part of the puzzle, the most important piece was you! You earned this. Whether the road was easy or a challenge until the end, enjoy your accomplishment! As you earn your diploma, you earn your place with other men and women who have come before you. You are now Fairhaven High School alumni; Be proud.

Not only does 2012 mark the year of your graduation, it also marks the celebration of our town's bicentennial. This is truly a year to remember! I hope you look back on these years fondly. Soon enough you will realize that your high school years were just a small part of your life. Live a full life, be passionate about what you do and help make the world a better place. Be happy. You are all amazing individuals, but together you were truly a special group - the class of 2012.

**We will miss you,
Mrs. Kohler**

Dedication

Rachel Joy Scott

The 2012 yearbook is dedicated to Rachel Joy Scott, whose message of kindness and compassion moved the Fairhaven community. Rachel's powerful message came to the school through an assembly on Oct. 27. Her message was delivered by presenter Colleen Kirk, who gave the audience five challenges to live a more compassionate lifestyle and convey Rachel's legacy of kindness. Students and faculty said it was the most inspiring presentation they had ever attended at the school.

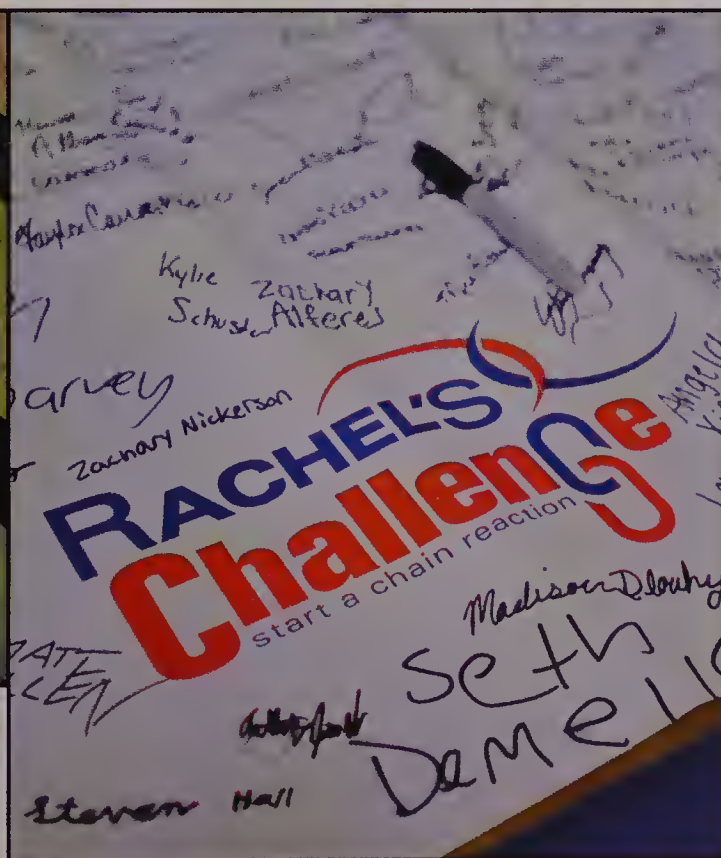

Rachel was the first person to be killed at the Columbine shooting. She believed that kindness and compassion could help to change the world. In her honor, her family has established the foundation, Rachel's Challenge. Representatives from the foundation travel to middle and high schools across the country educating students in Rachel's beliefs.

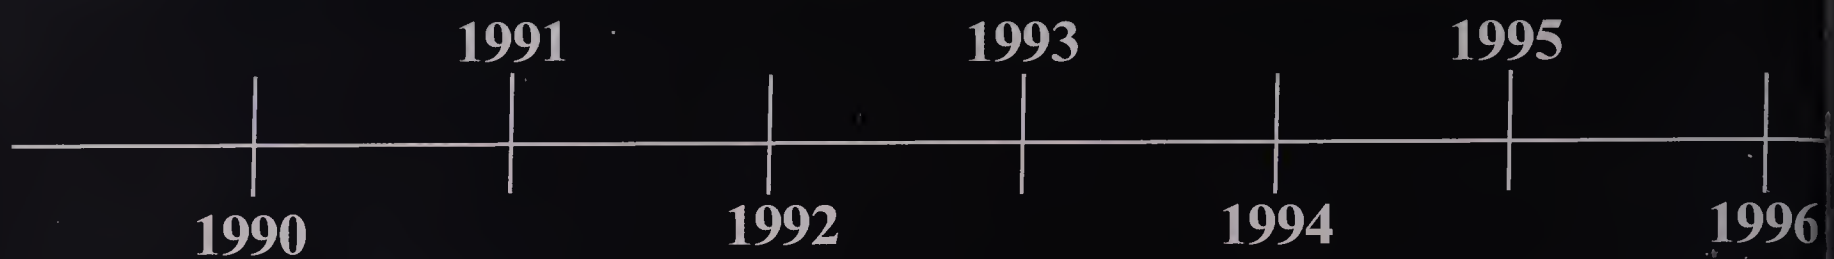

After the assembly, 100 students were invited to participate in training to help start a chain reaction of kindness and compassion. All students were invited to join the Friends of Rachel Club (FOR). The club's main goal is to fulfill Rachel's dream of kindness. The club took on several projects this year including: Targets of Kindness, welcoming new students, and Mix It Up Day. A year-long project was the Chain of Kindness. The chain displays acts of kindness that students saw occurring within the school. It grew as the kindness and compassion within the school grew and is ongoing. Though Rachel's Challenge is gone, Rachel's message of kindness still lives on within the school.

Above: Just a piece of the Chain of Kindness that the FOR Club started and was on-going throughout the school year.

Right: The Rachel's Challenge banner that the students and faculty signed on the day of the Rachel's Challenge assembly.

As seniors look back on the memories of their childhood, the 90's comes to mind. The culture, music, television, and movies thrived through the decade and leave a nostalgic feeling in their hearts. They are products of our environment, and the 90's have shaped them in more ways than one. The information contains the most popular aspects of 90's culture. Though not all pieces of history were included, the list gives a general feeling of what the class of 2012 lived through almost two decades ago.

Class of 2012,

I would like to start out by thanking each and every one of you for your votes the past four years. Considering I never thought of being my senior Class President, maintaining my office for all four of my high school years has been quite the rewarding experience. Our high school careers have gone by faster than anyone could ever imagine. Our parents, teachers and even recent graduates have tried to tell us, "Enjoy the time in high school, because it is gone before you know it." It's here. We are leaving Fairhaven High and moving on with our lives. As I take the time to write this speech to all of my classmates, my mind is bombarded with memories of my experiences at Fairhaven High School. I would like for all of you to also take the

time to remember and never forget the memories made throughout your high school careers. Whether you are going to protect our country in a branch of the military, take the path to college, or even enter a trade and start working right away, you will never forget where it began, here at FHS. I would like to thank all of our families and friends for the endless support as we matured into the young adults we are today. Without them, our high school experiences would have never been the same. As Abraham Lincoln once said, "And in the end, it's not the years in your life that count. It's the life in your years." So go out there and live your lives to the fullest, make the best with what life may throw at you; more importantly, best of luck in all your future endeavors.

Thank you again,
Sean O'Neale

Class of 2012 Song

Forever Young

By: Mr. Hudson

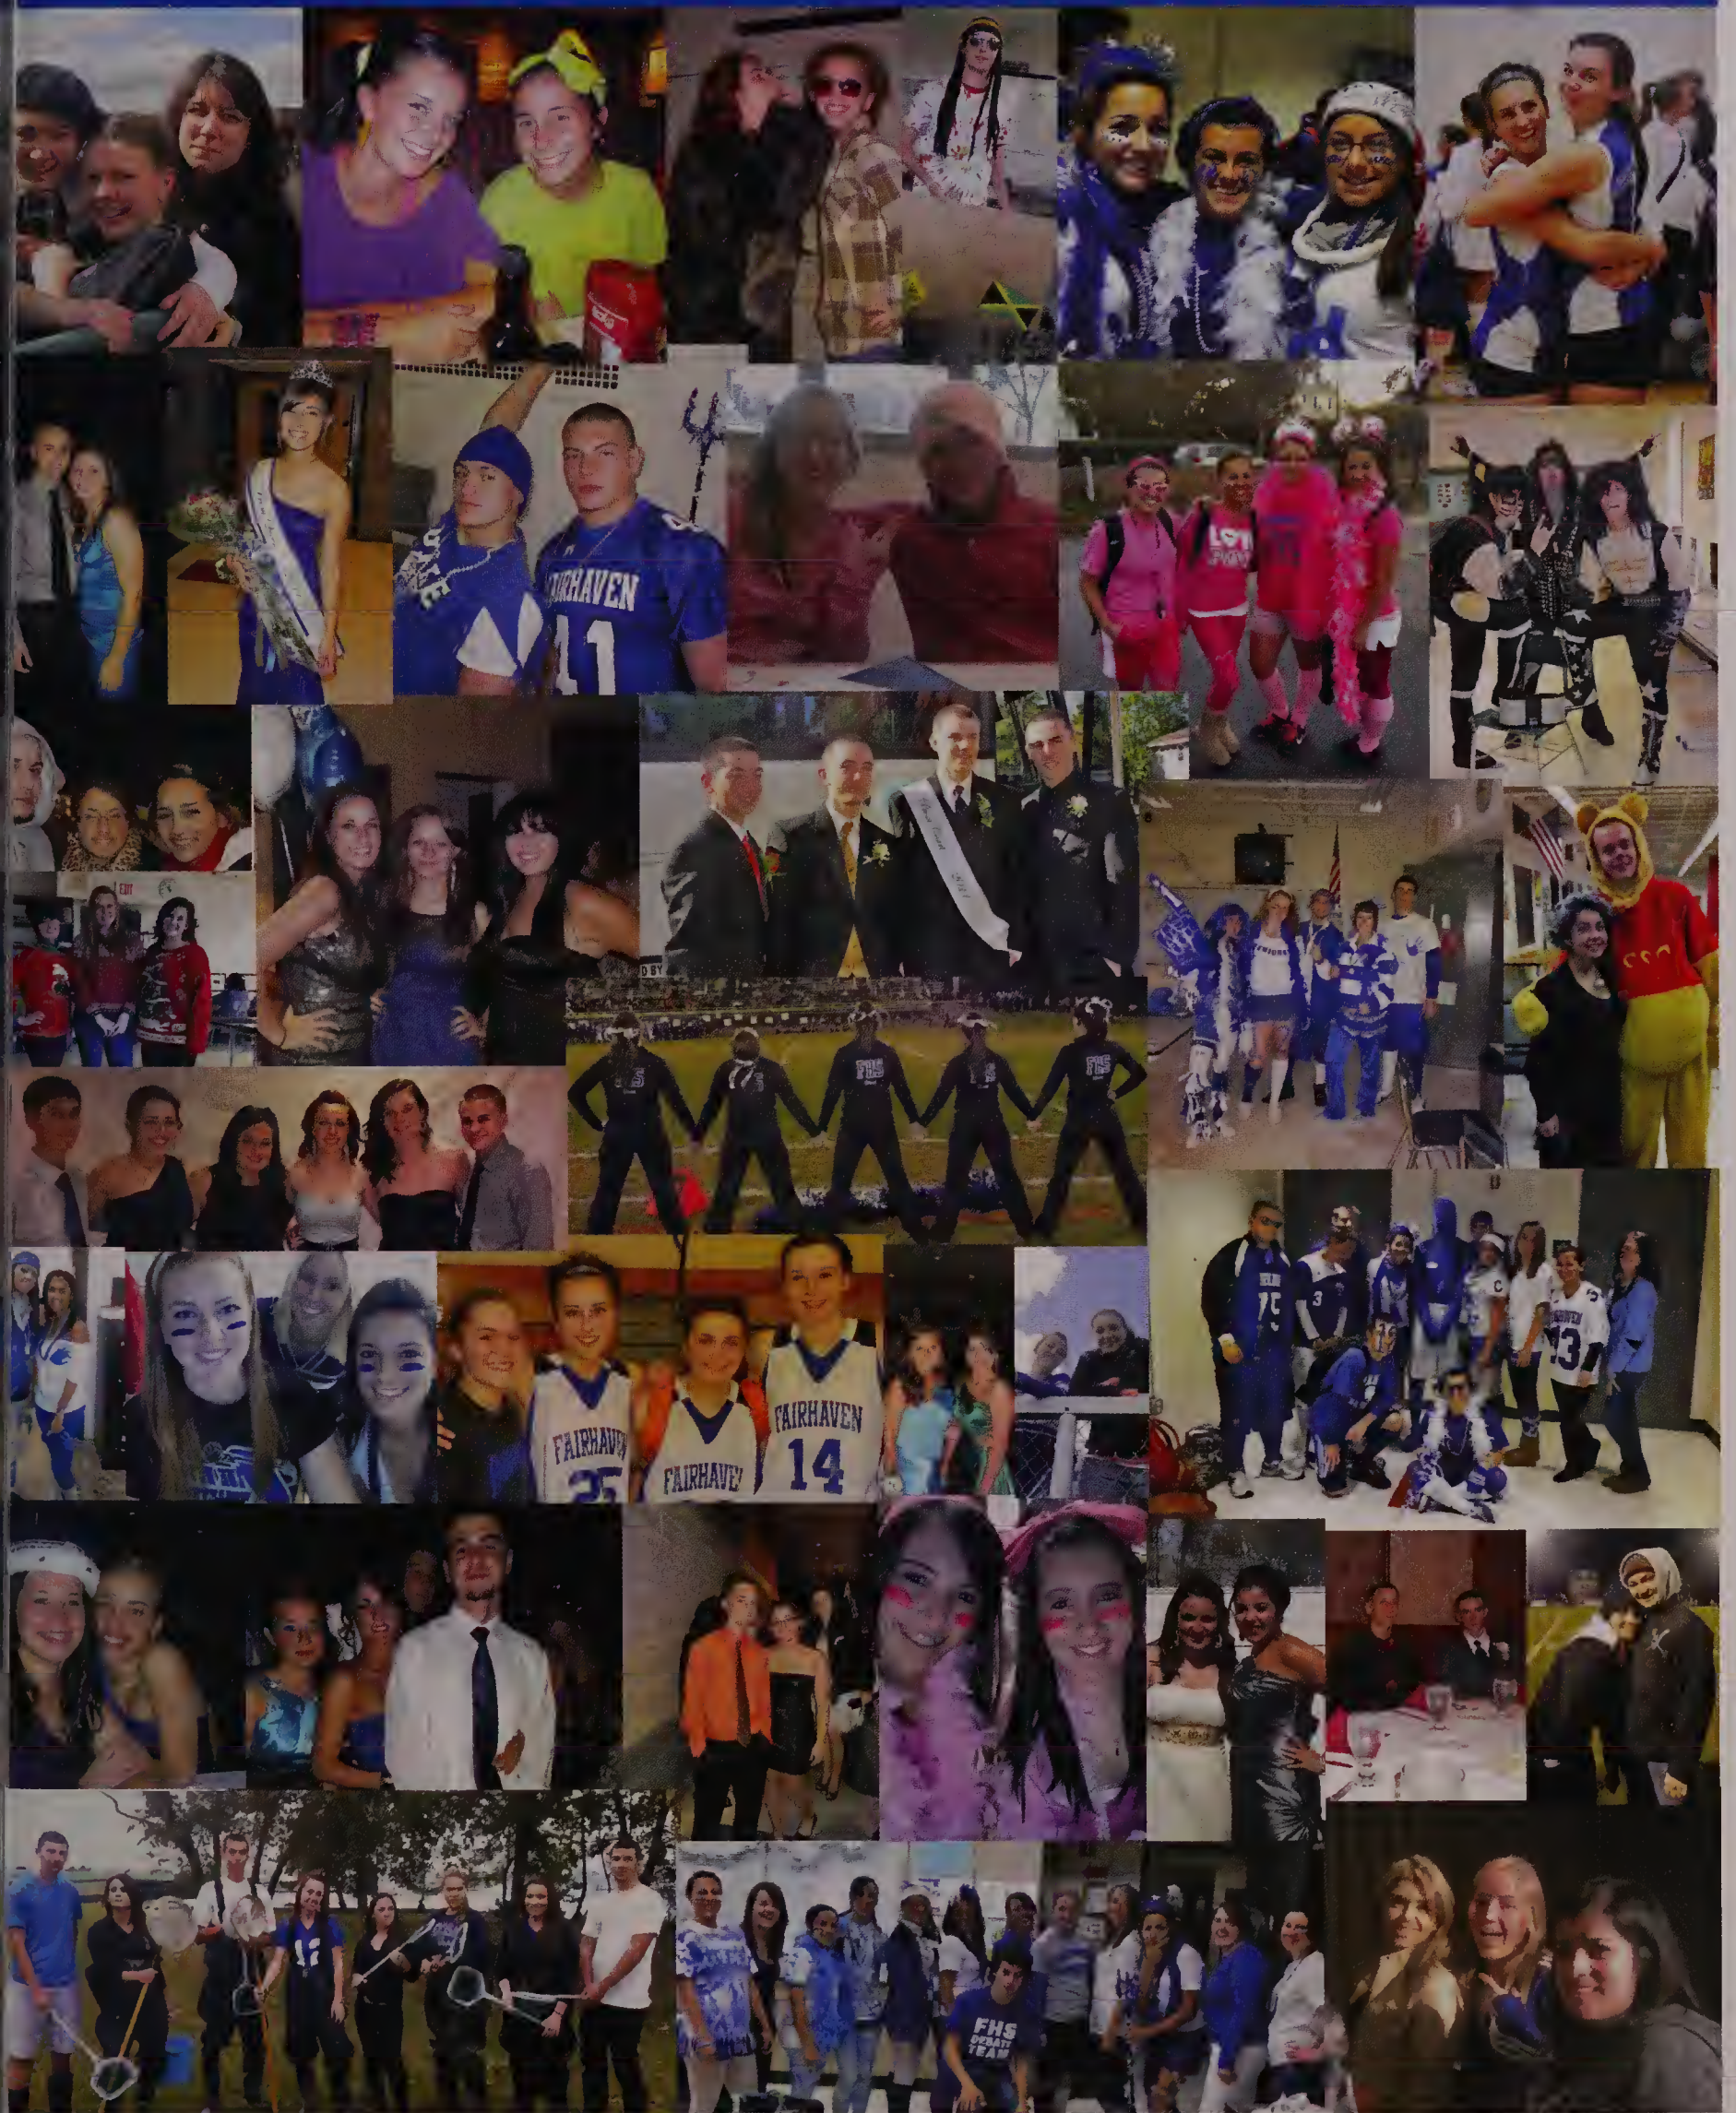

Let's dance in style, let's dance for a while
 Heaven can wait; we're only watching the skies
 Hoping for the best but expecting the worst
 Are you going to drop the bomb or not?
 Let us die young or let us live forever
 We don't have the power but we never say never
 Sitting in a sandpit, life is a short trip
 The music's for the sad men

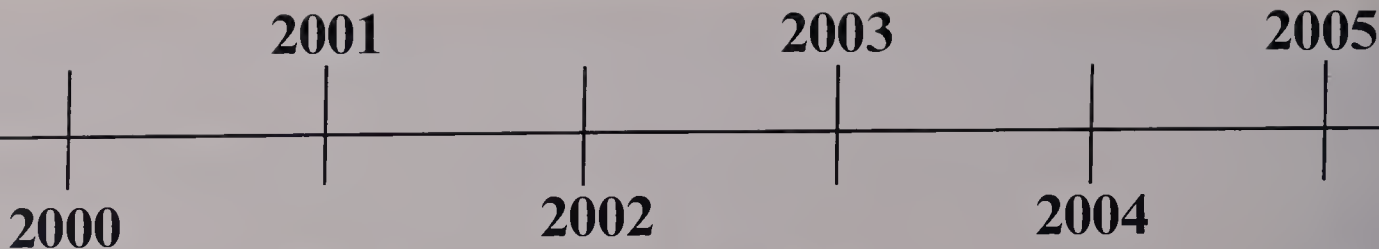

Forever young, I want to be forever young
 Do you really want to live forever, forever and ever
 Forever young, I want to be forever young
 Do you really want to live forever, forever and ever

Some are like water, some are like the heat
 Some are a melody and some are the beat
 Sooner or later, they all will be gone
 Why don't they stay young
 It's so hard getting older without a cause
 I don't want to perish like a fading horse
 Youth is like diamonds in the sun
 and diamonds are forever young

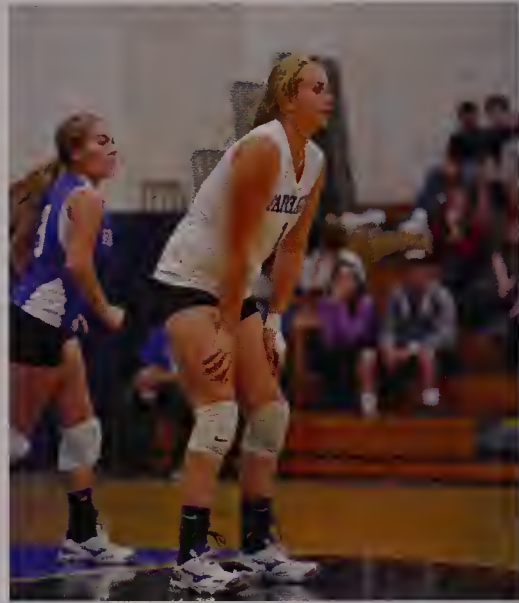

Forever young, I want to be forever young (forever young)
 Do you really want to live forever, forever and ever
 Forever young, I want to be forever young (forever young)
 Do you really want to live forever, forever and ever
 Forever young, I want to be forever young (forever young)
 Do you really want to live forever, forever and ever young (forever young)

THE 2000s

As the Fairhaven High School student body entered the new millennium, the world was changing quickly. Technology was on the rise and became a part of the culture, economy, and was an important source for communication. The information below is a taste of what years 2000-2009 brought to Fairhaven High's students as well as to the world.

To the Class of 2013,

I honestly can't believe how fast the past three years have gone by. In middle school they told us we were going to be "the little fish in a big pond" when we entered high school. Well, I think it's safe to say we're finally big fish, so get excited! As we approach our last year of high school, I can't help to think that next year will go by even faster than the previous ones. Then, we'll be moving on to the real world. I would like to thank all of you for electing me as your class president for the past three years. It's truly an honor. Now let's make the best of our junior year as we push towards graduation!

Sincerely,

Veda Krol, President, Class of 2013

Dear Class of 2014,

The officers and I would like to thank you for voting for us again this year. We have been working hard to organize more fundraisers and raise money for our class. Although at times this can be daunting, we have succeeded and will continue to succeed in our years to come. All the money raised in our fundraisers goes to our classes' prom and graduation among other things. We will continue working hard to make our senior year a blast! Again, the officers and I thank you for the support that you give us.

Sincerely,

Kyle Bueno, President Class of 2014

Dear Class of 2015,

First, I would like to thank you for electing me as the president of the freshman class; it has been a great honor. I would like to congratulate you on a job well done this year with participating in fundraisers and paying your class dues. At our first class officer's meeting, we decided on a goal that we would like to reach by the conclusion of our freshman year. I am glad to say that just four months into our freshman year, we, as a class, surpassed our goal. With this said, I would like to ask you to keep up the hard work. We are more than happy to hear any ideas that you have. Senior year may seem to be very far away from where we are at this moment, but the time and participation we put in now will create a better future for us tomorrow.

Sincerely,

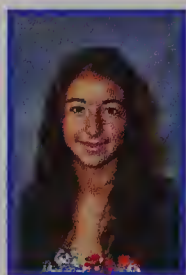

Ross Perry, President, Class of 2015

Foreign Exchange Students

Every year Fairhaven High School becomes home to a select few foreign exchange students. For the 2011-2012 school year, FHS hosted two students: sophomore Tae Kojima (from Tokyo, Japan) and junior Rata (Jinn) Chaichanpanit (from Thailand). Both girls were actively involved with school activities and clubs. They made the most of their American high school experience.

Tae participated in sports, clubs, and many American activities. She was part of the FHS field hockey, basketball, and lacrosse teams. According to Tae, students play all year round in a particular sport in Japan and not by designated seasons as in American schools. She also takes part in band, jazz band, drama, math team, and international club.

Her favorite thing about America is food (mostly pasta), her family, friends and TV. *Glee*, *American Idol*, *Dancing with the Stars*, and *The Next Great Baker* are among some of her favorite TV shows. One of the more difficult transitions for Tae was getting accustomed to more homework than what she had in Japan. After she graduates, she plans to go to medical school and become a doctor.

Jinn said Thailand is a happy place. "It's a land of smiles which we have a various culture and tradition," she said. "There are many beautiful and interesting places."

Jinn is involved in cheerleading, drama club, art club, best buddy's, concert choir, math team, and interact club.

She loves to watch *Glee* and *Prison Break*, and listens to Bruno Mars and the *Glee* soundtrack. She has found the language difficult but says that friends and school make it worth it. Jinn plans to study accounting and marketing in Thailand.

RATA (JINN) CHAICHANPANIT
Thailand

"Some things that no one would know about my country would be that it never, ever snows! My school has uniforms and strict rules about them. We have to bow to the teacher before and after our classes. We are not allowed to pick our classes! Our King is the world's longest serving current head of state."

TAE KOJIMA
Tokyo, Japan

"What no one knows about my country is that New Year's is the only huge holiday, and we celebrate it for three weeks."

Getting ready for NEASC

The upcoming accreditation (New England Association of Schools and Colleges) was the drive for the 2011-12 school year. For the first time, delayed starts were used where students began their school day at 10:30 a.m. The year began with the traditional early releases, which were on Sept. 15, Oct. 20, and Jan. 19, March 15. The delayed starts were on Jan. 11, April 11, and May 23.

Due to changes in NEASC, advisory meetings were started last year and continued with the intention of improving communications between the students and faculty. Administration saw it as an opportunity to discuss some serious issues in a small group setting. The first meeting started strong with Rachel's Challenge. The key components of advisory are safety, confidentiality and respect for others' opinions. Advisory leaders seek support from school counselors for any concerns about personal safety or the safety of others that arise from group discussions. Also, the mottos were, "what is said in advisory stays in advisory," and "the talk is about topics not people." The meetings have received positive feedback from both staff and students. Although NEASC was the driving force, administration feels advisory is a positive program that will give more "community" to the school. Dates for advisory included Oct. 3, Nov. 7, Dec. 12, Jan. 23, Feb. 27, April 2 and 30.

The school had good news about MCAS results. Students scored five percent above the state average in math and improved slightly from previous years. Since 2008 in the English MCAS, the number of students at the Proficient level has risen from 52 percent to 67 percent. The number of students at the Advanced level has fluctuated, and the number of students failing the exam has decreased. In the Science MCAS, 73 percent of students were proficient or higher.

Two art teachers (Jamie McMillan and Brenda Roveda) were added to the faculty roster while Christine Neville moved to the Science and Technology Department with her web design and photo imaging classes. The new art course offered is Art Seminar, which explores mixed media ranging from 2D to 3D and combined.

Other new staff included Peter Adamczyk (English), Jessica Carpenter (Science), Ashley Newton (SPED), and Lisa Druskat (Nurse).

Other new courses included senior English, Green Works, India and China, and Modern Literature.

CLUBS AND ORGANIZATIONS

Interact Club had more members this year than any recent years. Last year, four students received the Presidential Community Service Awards for completing 100 hours. Seniors Gabrielle Desmarais, Kelly Freitas, Jessie Freitas, and junior Alexandra Saulenas qualified for the award. The Interact Club has completed two Texas Road House fundraisers to raise money for a bus to participate in the Walk for Hunger and United Day of Caring. Their goal was to help as many people and organizations as possible. Members take pride in helping and giving back to the community.

The Math Club competed in an 18-team league. They participated in four meets and qualified for the league tournament, finishing in the top five. This was the team's best finish in more than 20 years. Team members included juniors (*denotes league All-Star) Isaac Allen*, Eric Borges, Jacob Carvalho, Rata (Jin) Chainchanpanit*, Giuliano Conte, Kyle Everett, Kelly Figuerido, Annie McGregor, Jackson Oliva, Catherine Rapoza, Carlos Rivera, Alexandra Saulenas, Ricky Souza, and Heather Shanks. Also participating were sophomores Nichole Amanzio, Monique Desnoyers, Tae Kojima, and Allison Roderiques. Freshmen Brandon Chan, Ben Elliot, Chris Moore, Robert Pike, and Macy Roderick.

Student Council's mission is to represent the student body and to supply delegates to councils, advisory boards, and committees. Their goals were to improve school-wide attendance, promote no texting while driving, and provide two scholarships to worthy students who have displayed strong leadership, strong character, and caring about our school community.

Chess Club won the SCC Championship for the third year in a row, the fourth championship in the last five years. In a best two-out-of-three match against Wareham High School, FHS swept the Vikings, 2-0, on March 20. The first match was won by a margin of 4-1 with Kris Moore posting the only loss. Team captain Jon Gonsalves, Giuliano Conte, Tony Wang and senior Kevin McConkey all won their first match. The second match was a little closer with Fairhaven winning, 3-2. Moore redeemed himself with a come-from-behind win. Both McConkey and Wang rounded out the wins for FHS. Wang ended his season with a perfect 9-0 record.

Art Club has served as a place to create and share original pieces of art work with other students and individuals. Original fundraisers like creating and selling pet rocks and making custom coloring books which they sold at the Old-Time Holiday Weekend in the Town Hall in December were successful. Members also volunteered to re-paint a mural in the cafeteria, re-design the logo for the Robby Thatcher Memorial Fund, and paint a mural for the Visual and Performing Arts area in the back of the school.

BD-TV broadcasts the *Good Morning FHS* show daily throughout the school and the Town on channel 9. Students videotape many events that take place in the school. This past year, they worked with community members on a Veteran's Day project, videotaped/aired speeches from candidates running for office in Town in late March, and had another successful seven-hour telethon and attended the MOVE Contest, both in May.

Drama Club has many fundraisers to defray the cost of their play *Beauty And the Beast*. Some fundraisers include bake sales, car washes, wreath sales, and pizza sales.

Environmental Club members continued with their efforts to get both students and faculty to recycle. They put recycling bins in the cafeteria and gave all teachers recycling bins.

Band, Jazz, Orchestra worked hard to raise money through pizza sales, bake sales, car washes, wreath sales, concerts and the Super Bowl Sunday Sub sales. As well as raising money, the music organization had the annual winter and Pops concerts and took a four-day trip to Annapolis, Maryland on April 13th to compete in the Heritage Music Festival where they hoped to place first or second.

French/Spanish/International Clubs participated in Foreign Language Week. French Club had many activities including an after school Fondue and Crepe Day, a Mardi Gras party with games like limbo and pinata, and a French Film & Munchie Day. Spanish Club activities included trying various Hispanic foods, watching videos or films, and Spanish speaking presenters. International Club hosted a foreign exchange student weekend in March with a welcoming party for them here at FHS.

Poetry Club carried on their tradition of publishing *The Poetry Journal*. The club hosted a Poetry Out Loud competition where 13 students competed. Sophia Cordeiro won first place for the third year in a row. Freshman Marisa Rebelo placed second, and sophomore Monique Desnoyers placed third. The Poetry Club also took their second trip to the Massachusetts Poetry Festival in Salem.

Friends of Rachel's (FOR) main goal was to create a permanent culture change in our school this year and to recognize others who show respect and kindness. One project they worked on was the Chain of Kindness, which was displayed throughout the school by faculty and staff. Other projects hosted by FOR were the New Student Breakfast and Black Out Bullying Day.

National Honor Society competed academically against local schools in the South Coast Conference, provided tutoring, participated in service projects, and helped with various school events and activities. Some fundraisers they held were Dinner for Two booklets, cooking making with kids, Wood School Family Activity Day, and Peer Tutoring. Their goals were to partake in community service projects that benefited the people in the school and the community as a whole.

Junior Prom

Prom 2011 was held at Venus de Milo, located in Swansea. The night started with the Promenade, in the Performing Arts Center. Participating juniors and seniors were announced, along with the prom court. The winners were King Sean O'Neale, Queen Michelle Westgate, Prince Branden Lincoln and Princess Tori Paiva. After taking many pictures with family and friends, the students were then bussed to their prom. For the last nine years, school-provided bussing has been mandatory for all students attending prom.

The theme for Prom 2011 was Aphrodite's Spell. Tickets were \$65 and roughly 230 students and faculty attended. The Art Club was kind enough to design the centerpieces that were at every table. The food was served as a buffet and included various chicken, rice, pasta, and vegetable dishes. A dessert buffet was also included and had an arrangement of pastries, cake, and cheesecakes. The general feel of prom was exciting; as soon as the music started to play, everyone got up and danced until it was time to leave at 11 p.m. The DJ was Scott Renche of FUN107 radio. Many went to the after prom at FHS, where many fun games, activities, raffles, and food were available to students.

Junior Day 2011

The annual Junior Day celebration is a sacred, valued tradition held exclusively at FHS and dates all the way back to the 1920's. Not much has changed.

It is the last official day of school for seniors prior to their graduation. It also is a rite of passage for juniors who will be symbolically taking on the roles of leadership once held by seniors. The passing on of the responsibilities of being a "senior" is symbolized in a ceremony wherein the senior class president takes off the mantle of leadership and passes it on to the junior class president. Seniors wear their graduation regalia. Junior girls traditionally wear white dresses and carry a yellow rose, and junior boys dress in white shirts and ties.

Talented musicians, one from the senior class and one from the junior class, perform. The seniors sing their class song as well as the traditional graduation song, "The Halls of Ivy." Junior Day recognizes the many major accomplishments of the student body over the year. Through the presentation of awards, trophies, and certificates, students' successes, accomplishments, and contributions are celebrated. Members of the community-at-large come to the festivities to confer awards and accolades upon students who have excelled in academics, in athletics, or in service to their school and/or community. For many underclassmen, attending a formal ceremony such as this is a learning experience to strive to emulate the accomplishments of their upperclassmen.

Pep Rally/Lip Dub

Pep Rally day was different this school year. Due to a concern that only one or two teams would have a dance at the Pep Rally, lip dub was added in.

A few weeks prior, Principal Tara Kohler was approached by Media 1 students about the possibilities of doing a school-wide lip dub some time this school year. When the pep rally looked like there wouldn't be many teams doing a dance, Mrs. Kohler asked the lip dub students if they could do it during the pep rally. The Media 1 students weren't sure if they would have another opportunity, so even though they only had three days to prepare, they agreed. They had already received copyright permission to use the song *Firework* by Katy Perry, but they were still looking for permission for other songs.

"It was easy to obtain the copyright quickly in the time given," said cameraman Anthony Pauline, who had the toughest job of the day.

The school went through three takes, and the second one came out the best. The song was played over the intercom for all students to hear but the sound track was dubbed in at editing. Over 9,000 views for the lip dub were on the YouTube channel as of early February.

The main lip dubbers were Megan Haaland, Erin Rego, Hannah Christ, Laura Medeiros, Alysha Gomes, Tori Paiva, Dillon Aiello, Kayli Moniz and Ashley Souza.

Scripts were passed out in homerooms for every FHS student. They were to go to the specific area around the school with the club, sport, or activity they were involved in at FHS. If they were involved in more than one activity, they could have gone to both spots if their travel route did not interfere with the camera.

Staff and faculty were very patient with the students, as everyone was supposed to report to the gym after the camera went by them. The start of the video had a great special effect where the fan was used and the cards strategically fell from the second floor down, but the second take didn't have it. Students made signs for each group they were representing and some teams, like field hockey, used their sticks to introduce the next lip dubber. An outline of the letters F.H.S. were on mats in the gym for students to line up for the last scene, but there wasn't enough height in the gym to be able to get a good shot.

The Media 1 students involved in producing the video were Pauline (editor, camera and director) Allison Roderiques (producer), Peyton Tanguay, Miranda Branco, Alexandra Charette and Serena Vega.

Teachers and students commented on the energy and school spirit throughout the school. Although they were hesitant beforehand, most Fairhaven High School students seemed to enjoy the event.

"We would like to do this again," said Roderiques, who plans to be in charge of next year's event and has already started making plans.

Homecoming

The Homecoming Dance was held on Saturday, Oct. 29. After Friday's Pep Rally was over, the senior captains of FHS's cheerleaders, Tori Piva and Leeanne Swire, announced the two freshmen, two sophomores, four juniors and four seniors to be on Homecoming Court. This was decided on the school spirit that each displayed throughout the week. After the win against Harwich, the football players and others came into the gym to help set up for the following night. On the night of the dance, every student was given two beads to vote on who would become royalty. After much dancing, the senior football players escorted the cheerleaders up to the front of the gym, followed by the Homecoming Court. The DJ that night, Fun 107's Michael Rock, proceeded to announce the 2011-12 Homecoming royalty.

Marching Band

Beginning a week before school started and ending at the end of the football season, the FHS marching band gets in tons of practice. It began with band camp the week before school started, with the 44 marching band members practicing up to four hours a day. During this time the students are taught how to march, along with formation techniques. After the band camp, they continued their practice in school with the musical portion. They had after school practices once a week that lasted for about two hours. They performed at every home football half time show. This year they played *Fantasmic*, a selection of Disney songs.

Winter Concert

Rejoice! That was the title of this year's FHS Winter Concert held on Dec. 20. Tickets were \$5 each. The concert started with the band performing *Once in Royal David's City*. The band also performed *How the Grinch Stole Christmas*, *Greensleeves: A Fantasia for Band*, and *Sleigh Ride*. Mixed Chorus sang *Where are you Christmas*, *In December*, and *All I Want for Christmas is You*. Jazz Band performed *Have Yourself a Merry Little Christmas* and *Go Tell It on the Mountain*, and *Rest Ye Merry Samba*. The concert choir pieces included *Hallelujah Chorus from the Messiah* (one of the more challenging pieces), *Grow Lovely Rose*, *Jolly Old St. Nicholas*, and *Have Yourself a Merry Christmas*. The Orchestra performed *Jesu, Joy of Man's Desiring*, *Nutcracker Ballet*, *The Holy and the Ivy* (with solos from Devin Cloutier and Kyle Bueno), and *Christmas Eve/Sarajevo* (with Matthew Guilherme on guitar and John Stapleton on bass). The concert ended with *Rejoice! A Festival of Carols*, the collaboration of combined band, orchestra, and concert choir. This piece was only one of the new additions that were introduced this year.

The Pops Concert was a massive success, raising money for Fairhaven Association for Music Education. It took place in the Fairhaven High gymnasium and a 10 dollar admission was charged. The ticket allowed the audience to enjoy an assortment of cupcakes from local bakery, Narragansett Café. The theme of the show was *Music of the Theatre*. Every music organization at Fairhaven High revolved their music around the theatre. The Orchestra played selections from *The Wizard of Oz* while the Band played selections from *Joseph and the Amazing Technicolor Dreamcoat* and *The Sound of Music*. The Band, Orchestra, and Jazz Band was conducted by Bryan Young. The audience got a special surprise when the Fairhaven High's Drama Club performed selections from the upcoming spring musical *Beauty and the Beast*. Kim Joseph, Matthew Guilherme, and Dylan Cardoso all had solos. Furthermore, the chorus, conducted by Richard Brejcha, sang songs from *Mission Impossible* and *Phantom of the Opera*. Overall, the concertgoers appeared to enjoy the cafe setting, the songs and the cupcakes.

The after prom is fundraised and run by various PTO and parents of senior students. The fundraisers include The Taste of Pizza Night, where the community can treat themselves to samples of pizza from various businesses in the area. Furthermore, they run the Mr. Fairhaven competition for senior boys as well as selling cookbooks with recipes submitted by FHS faculty and staff and Blue Devil tote bags. After the students attend Prom, it is a tradition that the class returns to the school for an after prom. It runs until 5 a.m. Food is donated by multiple local businesses and restaurants such as No Problemo's of New Bedford, Taco Bell, Wah Mays of Fairhaven, and Yia Yai's Pizza of Fairhaven. Games and activities were also available for students. There was a black jack table, Wii games, blow up games, caricature artists, tora cards, and movies.

Disney's Beauty & the Beast

Disney's Beauty and the Beast is a classic story of a woman named Belle who lives in a small town, and a prince disguised as a horrible beast under the spell of an enchantress. If the Beast can learn to love and be loved, his curse will end returning him to his former appearance, but time is running out for the Beast and his household, also under the spell. The curse can only be broken if the Beast learns to love another and receives the other's love in return before the last petal of the enchantress's rose withers and falls; if not, he will be doomed to remain a beast forever.

Lead roles include the Beast (Matthew Guilherme) and Belle (Kimberlee Joseph). The cast also includes Mrs. Potts (Meghan Dorian), Lumiere (John Stapleton), Cogsworth (Michael Eckenreiter), Maurice (Richard Souza), LeFou (Dylan Soares), Babette (Laura Medeiros), Chip (Alexandra Berntson), Madame De Le Grande Bouche (Hanna Christ), Monsieur D'Arque (Kristopher Moore) and Silly Girls (Marisa Rebelo, Amanda LeBlanc, Nichole Amanzio).

The ensemble includes Zachary Alferes, Meghan Allen, Sylvia Alves, Britney Cabral, Sophia Cordeiro, Sara da Costa, Trevor Faria, Andy Espindola, Katie Gilmore, Alex Kuechler, Luke McGraw, Erik Moura, Jared O'Connell, Alicia Pearl, Kevin Pepin, Prodromos Prodanis, Ashlyn Ramos, Morgan Smith, and Hailey Stevens. The play was also narrated by Meghan Dorian.

The play was produced by Richard Brejcha, directed by Sarah Martins and choreographed by Susan Botelho. The ticket prices were \$15 for adults, \$12 for students/seniors, and \$10 for children 12 and under. Performances were March 29 - March 31 at 7:30 p.m. and Sunday, April 1 at 2 p.m.

Sports Highlights 2011-2012:

FHS sports highlights include the infamous Thanksgiving Day Game win against Dartmouth, a state championship for fall cheering, a Div. 2 state runner-up in volleyball, tournament-making teams including last year's softball and boys and girls tennis. Kara Charette goes down in FHS history becoming the all-time leading scorer in basketball, breaking the 1,467 point record. Her teammates also made it farther than any other FHS girls' team, winning the South Sectional Finals for Div. 3 and making it to the State Semi-Finals at the TD Garden.

Football

The Fairhaven High School football team was much improved in 2011, finishing the season with a 3-7 record under second-year Coach Rudy Bulgar.

The record does not indicate the true success the Blue Devils had on the field. They lost three games by one touchdown or less. All the Devils needed was one play here or there in each game, and they could have had a different record.

The team ended the season on a high note winning two out of their final four games. In the second to last game, the Devils took on an undefeated (10-0), South Coast Conference and state championship team, Bourne High School. The Canalmen just edged the Devils, 38-33.

Feeling confident about their abilities, the Devils carried it into the Thanksgiving Day game versus Dartmouth. The Indians were a 25 point favorite; however, that was not to be. The Devils upset the 8-2 Indians, 21-14. Fairhaven scored 21 unanswered points in the fourth quarter, getting a 50-yard run from senior Tanner Kislá and an 86-yard pass connection from junior Jarred Antil to Billy Pires to draw even. Pires caught a 50-yard pass from junior Ryan Baldwin on a play called "hide and seek" for the victory. This game will be remembered as the game and upset of this rivalry.

Once again, The Fairhaven High School Cheerleaders took the gold at the Massachusetts State fall competition at Shrewsbury High School.

After taking first place trophies at the South Coast Conference and at Regionals, they came into Shrewsbury High School with a positive attitude. The coaches' pep talk just before the routine did its job, as the girls were flawless in their routine. After, the team waited for the results hoping to hear their school name. After Ipswich took the second place trophy, the anticipation of hearing their name was intense. Getting first place made everyone ecstatic. Once on the highway in Fairhaven, the fall cheerleaders were escorted to the high school by four police cars. At the high school, the cheerleaders were greeted by the town selectmen and took pictures with them. Afterwards, they all went out to eat lunch at T.G.I. Fridays. The cheerleaders went to all football games, home and away, to support their football team, no matter win or loss. They would cheer to the crowd to get them to root on their team and have fun. Doing stunts from the competition routine helped them out to do everything perfect.

The winter cheerleaders placed first at their South Coast Conference at Dighton Rehoboth and at South Regionals at Dartmouth High School. States was tough. Even Fairhaven's amazing routine didn't change the judges' decision in choosing Archbishop Williams over the Lady Devils. The cheerleaders practiced hard throughout their season and cheered at 11 boys and girls home basketball games. At the games, they would practice their stunts for their competition routine.

Field Hockey

After a brush with tournament the year before, the FHS field hockey team wanted more. They came out this season with great promise and "determination." Determination was the word of the season, encouraging and pushing the girls to their goal. At the close of season the FHS field hockey team fell short, three points of 18 needed.

Chosen by their coaches, captains Katherine Wordell, Alexandra Fonseca, Alicia Rego, and Abby Saba led the team through their tough season. Though the team didn't reach their goal of tournament, personal goals were achieved. Right-inner, Jane Lamarre-DeJesus broke the school record for goals and points in a season with 17 and 23 non-conference points. Lamarre-DeJesus was Fairhaven's MVP and Player's Player, voted by her teammates. Her "scraper" skills, and patience placed her in the perfect position to break the school record. Lamarre-DeJesus found herself a spot on the South Coast Super Team. Honorable mentions went to seniors Alexandra Fonseca and Alicia Rego.

The FHS field hockey girls also dedicated their senior night to play for the cure. The girls sold breast cancer items and promoted for the game all month, including a breast cancer memorial tribute. With help from students from BD-TV, the video showed family members and friends who have battled with breast cancer. The "Play for the Cure" game proved to be one of the most anticipated games of the season and a winning 1-0 game against Westport.

Under Boston Globe 2010 Div. 2 Coach of the Year Karen Arsenault, the girls' volleyball team had another amazing season, leading to a South Sectional title and to the state semi-finals for the second year straight, this time against Marlboro High School.

The team was led by senior co-captains Kara Charette and Kelsey Perron-Sovik and classmates Kayli Moniz, Rebecca Larson, and Michelle Westgate, along with juniors Ashley Brown and Kay Mullen.

Charette received South Coast Volleyball Player of the Year for 2011. As a senior captain, Charette became a key player on the team, being named to the All-State team for a second straight year, as well as being a Boston Globe All-Star the last two years. She broke the all-time school record in kills with 1,261 (378 this season) while recording 249 digs and scoring 129 service points, including 56 aces. She was #1 in kills, #1 in blocks, #2 in hitting in Div. 2.

Moniz and Perron-Sovik also made the South Coast Super Team. Moniz ended her season breaking the school record for recorded digs in a season, racking up 1,659 digs in her career. She delivered a strong serve throughout the season making 11 errors on 344 total serves. She was #2 in the division for digs.

Perron-Sovik recorded 606 assists, racking up 1,204 in her career, making her second in FHS history. Also second in digs with a total of 1,416 in her career, she ended her season with 73 aces and scoring 229 points for her team. She was #2 in the division for assists and #3 for aces.

Juniors Kay Mullen and Ashley Brown made the South Coast Second Team. Mullen recorded 147 kills and 58 blocks. Brown added 237 digs and 20 errors on 116 serve-receives. Freshman Katie Leidhold proved to be a positive addition to the FHS team, receiving a Standard Times honorable mention for her solid contributions to the team.

The seniors have left a legacy that will be tough to beat.

Although they were very close to making tournament with their 3-9-4 (SCC) and 4-9-5 record, they were just shy of their goal which may have disappointed the seniors on the team.

Tri-captain Andy Espindola made the Standard Times Super Team for his work on the field this season. He kept the team in many games with his heads-up play at sweeper in the tough SCC, where he also earned All Star honors. He gave the team a solid presence in front of the net and used his experience as one-on-one defender to break up plays and limit shots.

The four other seniors on the team included Joey Foote (midfielder), Andrew Ferreira (midfielder), Austin Cintron (forward) and Tim Hopp (defense).

Senior night was one of their biggest highlights of the season when Fairhaven played Seekonk. The team needed the win to advance to tournament but the game ended in a tie.

Also making the S-T All Star team for the boys was junior captain Kyle Everett. Everett showed off his versatility by playing midfield, fullback, and forward for the Devils. He proved to be a hard worker who always put his teammates first. Coach Brian Munce said "he got the most out of his skills while playing with a lot of intensity and heart." Making honorable mentions were junior captain Alec Dompierre and Hopp.

Also giving a strong effort for the boys were juniors Sean Masse and Eric Moura and sophomore Alex Silva.

This season will be Coach Munce's last as he announced his retirement. "My teams did not always have the best records, but they always watched out for each other, gave me their best effort day in and day out, and were a respectful, great bunch of guys to work with," he said. "I was always blessed to have quality young men on my teams throughout the years."

The girls soccer team finished the season at 10-6-2, 8-6-2 SCC to make it to post tournament but lost to Carver in Round 1 of MIAA action. Several players made the Standard Times all star teams.

Seniors Caitlynn Thatcher, Kelsey Faunce, Jill Sylvia, and Jessica Marmelo helped to lead the team both offensively and defensively.

Junior Kayli Berche made the Super Team. She proved to be a dangerous offensive weapon with 13 goals and 18 assists. She finished as the assists leader in the South Coast Conference, where she earned All-Star honors. She was also named an Eastern Mass. All-Star and still has another season left to play for the Blue Devils.

Junior Emma Morehead also made the Super Team. She scored an area-high 33 goals and notched six assists in a tremendous breakout season on offense. She exploded after scoring 10 goals as a sophomore and ended up earning Eastern Mass. and South Coast Conference All-Star honors.

Junior Ashley Pereira made the all star team. She proved to be one of the Blue Devils' most versatile players. She did a nice job controlling the middle of the field and helped set the team's offense in motion with seven assists. She used her quickness to get to a lot of loose balls and could always be counted on to drop back and help on defense.

Honorable mention went to junior Cecille Pereira.

Captains included Sylvia (a senior) and juniors Berche, Madison Shields, and Morehead.

Cross Country was self supporting for the second year, but added benefactors gave the program a giant push that helped to finance the state meet and three MSTCA races.

Graduate Lyle Drew (1990) was on the first FHS team in 1986. Drew lives in Virginia, but like many former Fairhavenites, he still keeps in touch with Town happenings through the Standard Times on-line. He saw the previews of the cross country teams and felt a calling. He found the coach's email and a season-long correspondence began. He donated \$1,000 and was the team's No. 1 web site watcher.

The teams hosted their first home meets in three years, added two non-league meets and were able to participate in all of the fall events. The boys won four meets, and for the first time in many years, the girls had a team and won one meet.

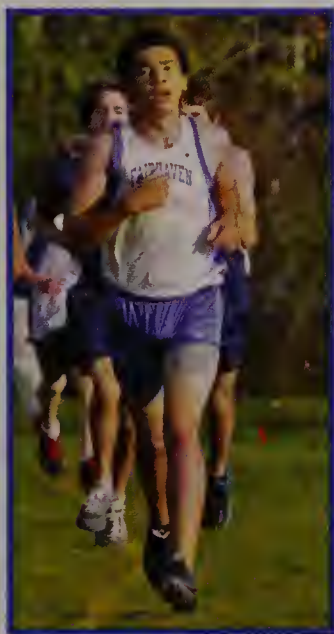

SCC Honorable Mentions went to Seth Guillotte and Max Charette, the top runners for the boys' team. Guillotte also received the Fairhaven Road Race Award, for contributing the most to the boys' record. The Lyle Drew Award was given to Captain Crag Lewis for his overall effort. Freshman standout Grant Gadbois received The Matty Oliveira Award for the most outgoing player with a strong academic record.

For the girls, Alex Charette qualified as a SCC All Star and on the Standard Times Second Team. Alyssa DoCouto received a SCC Honorable Mention. The SCC sportsmanship award went to Kellie Ruccolo. Charette siblings (Max, 19:02) and (Alex, 22:08) also established home course times.

The team benefactors included \$1,000 - Drew and the Fairhaven Road Race Committee; \$500 - Fairhaven Improvement Assoc.; \$300 - Matty Oliveira Fund; \$200 - Euro at Phoenix; \$150 Gadbois family; \$100 - Thomas Livesey Memorial Club, Ft. Phoenix 5K Race, Roland's Tire Service, ABC Disposal & Southern Mass Credit Union; \$50 - Chas S. Ashley & Sons Insurance, Ted Silva, Stephen Bender, Barbara Belanger, Michael Kelly; \$10-\$25 - Matt Richard, Claudia Jacobsen, Melissa Fletcher, Norris/Beverly Drew, Stella Marnik, Kathleen Taylor, and Stephen Kelleher Architects.

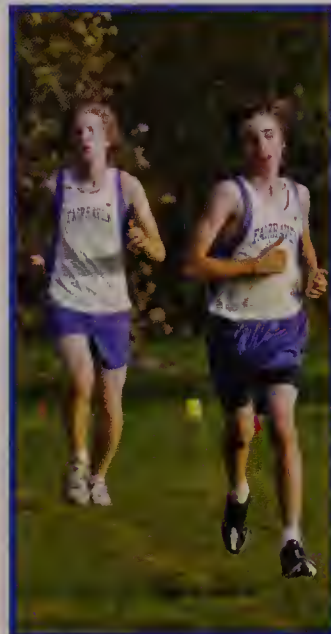

#3 runner Grant Gadbois received the Matty Oliveira Award..

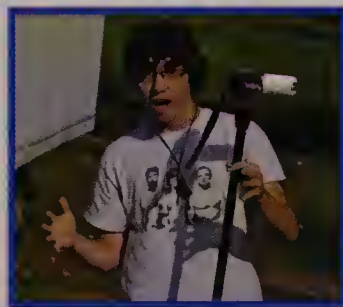

Craig Lewis received the Lyle Drew Award for his leadership & work ethic.

Freshman Justin Borges was counted on for varsity, running 4th, 5th, or 6th.

Junior Jackson Oliva (left) and Griffin Desmarais helped get varsity points.

Freshman Nate Turgeon (top) & soph. Mike Eckenreiter added depth.

Golf

Although the golf team finished the season at 5-13 (3-13 SCC), some individual accomplishments were made under second-year Coach Kevin Reedy.

The team was led by sophomore Tyler Hemingway. Dan McLaughlin (#2, 42.6 ave., 4.3 pt.), Jake Carvalho (#3, 44 ave., 4.9 pt.), Eric Plummer (#4, 49.5 ave., 3.6 pt.), Ryan Magano (#5, 47.8 ave., 3.5 pt.) and Anthony Joseph (#6, 47.5 ave., 3.3 pt.) also helped with scoring.

Hemingway qualified for the Division 3 Cape and Islands Sectional that was held on Oct. 25 at the par-71 Dennis Highlands Golf Course. He carded an 83, taking six strokes off his finish from last year and was also selected to the Standard Times Golf Super Team.

McLaughlin was an Honorable Mention and SCC All-Star, and Ryan Magano won the SCC Sportsmanship Award.

#8 Freshman Jeremy Lawton

The ORR/FHS Ice Hockey team had a banner year, qualifying for the state tournament for the seventh straight year. More importantly, they finished 9-1 in the South Coast Conference and earned a share of the SCC championship for the first time since 1986. "After a tough schedule where I thought that we did better than I expected, we made it to the tournament easily and did well enough to have a first round bi," said Coach Scott Hartley. The sixth-seeded ORR/Fairhaven Ice Hockey team did not fare so well against the 11th seeded Dartmouth Indians (14-6-2), losing 2-1 on March 1 in the first round of the MIAA Division 3 South Sectional tournament at Tabor Academy. "Losing tournament game after having high expectations for the season was a tough lose," said Coach Hartley. Fairhaven had four athletes on the team, some of them starting in varsity games. Freshman Jeremy Lawton, a right wing, was a key scorer for the team. Left wing Alex Silva is the only sophomore from Fairhaven on the team and also will be a key player in years to come. Freshman center Mike Lygren was great at face offs, as well as left wing, freshman Mason Evich. With such a young Fairhaven roster, The ORR/FHS Ice Hockey team will have a bright future.

After a phenomenal season, the Fairhaven girls' varsity basketball team made history by going farther than any other girls' team. They won both the SCC and the South championships and made it to TD Garden to play in the Div. 3 state semi finals where many would say their season ended prematurely.

They lost to the North champion, Pentucket High, in a tough, 53-39, loss. Pentucket ended up defeating West champion, Sabnis High, 55-32, for the Div. 3 state title.

Junior guard Ashley Brown was seriously injured with 1:16 left in the first quarter. She had scored seven early points, was injured after crashing into the scorer's table trying to chase down a loose ball. Brown was taken by stretcher to the hospital and was later diagnosed with a separated shoulder. The Devils tried to keep their heads in the game but couldn't keep the momentum going.

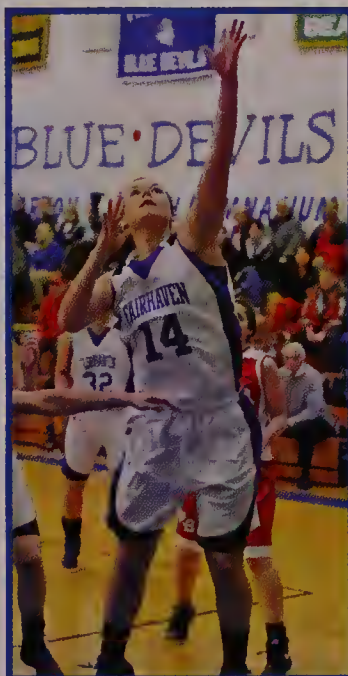

"Having the privilege to be the coach of this year's team is something that I will be grateful for forever," said Coach Jeff Perry. "It was a pleasure to work with the team on a daily basis, working together to achieve what turned out to be the greatest girls basketball season in Fairhaven High School history."

They beat four teams prior to the big game including Canton, Norwell, Martha's Vineyard, and Archbishop Williams. This was the first time the Fairhaven girls' basketball team beat Archbishop Williams. Beating the Bishops was a revenge game for Kara Charette whose sister, Kaleigh, was on the 2007 FHS team that lost to them, 63-57, in the sectional finals. The win also gave them the South Champions' title.

The girls finished their undefeated SCC season with an overall record of 19-3. They defeated two out-of-conference teams including Dartmouth and Abington, big wins for the seniors.

Key players for the team were seniors Kelsey Sovik (point guard) and Charette (forward), who have played together on varsity for four years, and senior guard Kayli Moniz, junior guard Ashley Brown, junior center Kay Mullen, sophomore forward Mariah Nicholas, and senior guard Rebecca Larson.

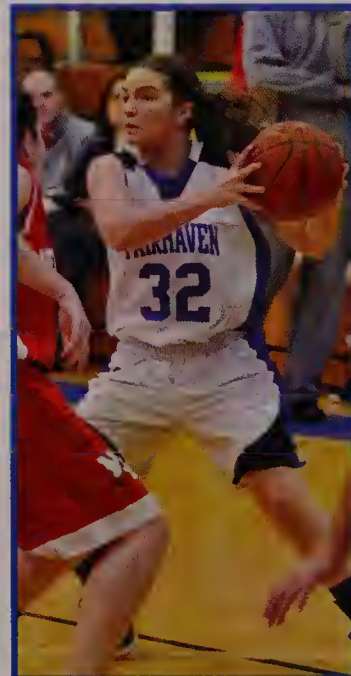

Charette topped 2008 graduate Erin Baldwin's record in total career points (1,466), ending with 1,688 points. She is also said to be the top contender for the Cowens Award for the 2011-2012 season, but the results were not available at press time.

Boys Basketball

Above: Senior Billy Lessa dribbles the ball up the court.

The boys' basketball team may not have had the best overall record of 1-19 for the season, but Coach Phil Harding said the spirit and hard work were there with many games easily going the other way.

Starting players were seniors Billy Lessa (leading scorer with 14 points per game), and Tanner Kislá, juniors Dan McLaughlin and Jacob Carvalho, and freshman Cameron Charette. Other contributing players were seniors Seth Jardin and Branden Lincoln and juniors Peter DeTerra, Connor Flynn, and Billy Pires.

"Despite our record, the team played hard in every game and maintained a positive attitude," said Coach Harding. "The season was a success in many ways other than wins and losses."

"It (our season) started out okay," said Kislá, "until a lot of players got injured, although we only lost by no more than 10 points each game."

Jardin's fondest memory was the Dighton-Rehoboth game "when I went from 5-6 from 3 points to 20."

Lessa will always remember beating Wareham his freshman and junior years.

Lessa added that basketball taught him hard work, leadership, and learning to trust your team.

Girls Winter Track has some talent on the team. This season, two school records were broken, and many athletes qualified for the SCCs.

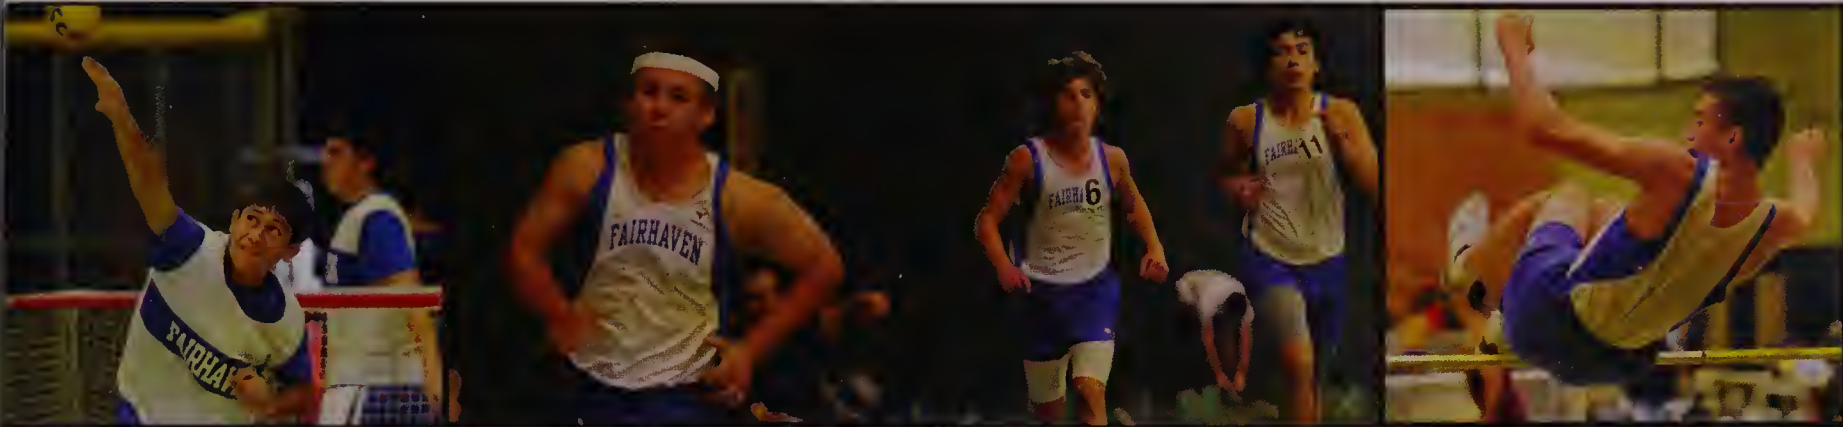

Junior Ashley Pereira and senior Katie Wordell broke their own school records on Feb. 1 at the Div. 4 meet. Pereira record was in the 600 meter at 1:42:97, while Wordell's was in the 1,000 meters at 3:10:39, scoring 10 points.

Also, in the 600-meter, Kendall Chandler (2:00:3) and Casey Teves (2:00:9) both placed seventh, 0.5 points each. In the 55 meter high hurdles, Heather Shanks and Emma Robidoux reached the semi-finals with 9.8. Shanks also placed fifth (10.0) for two points. In the 50 meter, Kacie Carvalho placed sixth (8.0), for one point. In the 2-mile, Alex Saulenas placed third (13:16:2) for 6.5 points. In the 1-mile, Bay Gammans placed first (5:47:7) for 10 points. Wordell also placed first in the 1,000 meter (3:18:3).

In the 4x800 meter, Pereira (2:29:3), Saulenas (2:46:0), Gammans (2:41:3), and Wordell (2:33:6) placed sixth with a combined time of 10:30:72. Gammans also qualified in the 1-mile (5:42:22) and Kelsey Faunce in the shot put. In the 4x400 meter, Kacie Carvalho (65.4), Kendall Chandler (73.6), Kelsey Faunce (76.0) and Emma Robidoux (68.9) qualified with a combined time of 4:44:13.

With their numbers growing, although the boys' winter track team's final record wasn't stellar, they did have some key individual performances in the tough SCC division.

Two athletes and one 4x200 m. team qualified for the Div. 4 championships on Feb. 18. Junior Kyle Everett qualified for three events and placed in one. He placed fourth in the high jump (5-10) scoring 4.5 points. He also ran a 6.97 at the time trials in 55 meters. He was also part of the 4x200 meter relay (1:42.01). The boys included Everett (24.6), Michael Eckenreiter (25.0), Drew Wethington (26.4), and William Oliver (25.7). Senior Austin Cintron competed in the 1,000 meter event, clocking 2:56.88.

A few athletes placed at the SCC meet on Feb 11 at GNB RVT. In the 55-meter, Everett (6.8) placed third for six points. Austin Cintron (2:56.2) placed fourth in the 1,000 meter for four points. In the 4x400 meter, William Oliver (60.0), Craig Lewis (62.6), Kristopher Moore (59.9), and Jackson Oliva (62.9) placed sixth, for 4:04:5. Junior Seth Guilotte (5:16:3) placed seventh in the 1-mile run. In the 300-meter, Michael Eckenreiter (42.1) and Russell Bolarinho (43.6) both placed seventh, for 0.5 points.

Fairhaven's baseball team went 9-11 last season, and Coach Rudy Bulgar felt they would have an even better season this year.

Seniors included Ryan Magano (2011 team defensive player of the year), Billy Lessa (ace pitcher), and Joey Foote (ss).

Team captains were junior Ryan Baldwin (2011 SCC All-Star), Lessa, and Magano.

"We are a young team that is junior dominant, and many of them played some role last year on varsity, but many will have to increase their role," said Coach Bulgar who added that they're a great group of kids who work hard and are all coachable. "As the season progresses, we will gain more experience as well as improve the competitive spirit."

This was the first time in three years that the program had a freshman team. The future looks bright for Coach Bulgar.

Fairhaven Softball Coach Cathy Silva is hoping for an even better outcome than last season's 18-5 overall record. Last season, the girls made it to first place in the SCC conference, made it to south sectionals until their loss to Hopkinton.

Coach Silva is looking for leadership from seniors Kelsey Sovik (center field), Kayli Moniz (shortstop), and Rebecca Larson. Key players include juniors Kay Mullen (1st base) and Ashley Brown (3rd base), and sophomores Morgan Haaland (catcher), Kiyana Alfaite (2nd base) and Courtney Girouard (pitcher).

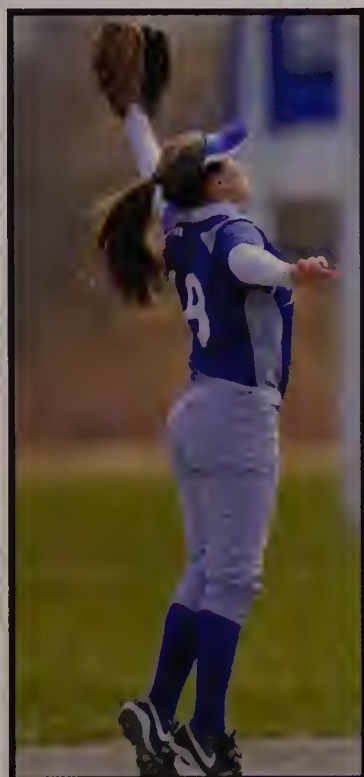

Coach Silva and Assistant Coach Glen Gardner feel they should finish strong this season.

The girls' tennis team made it to tournament with a 15-5 overall record. They lost to Ursaline Academy in the first round. "I think we will have another good year, and hopefully we will go just as far," said Coach Tara Costa.

As of the yearbook deadline, singles players were senior Kara Charette at No. 1, freshman Katie Leidhold at No. 2 and senior Michelle Westgate at No. 3.

The doubles teams look to be juniors Farah Gillette and Missy Berry at No. 1 and freshmen Maddie McLaughlin and Kristen Flynn at No. 2. Sophomore Laura Saucier will be an alternate.

Charette made the Standard Times second team last year for her doubles play. Westgate and Berry also had experience on the doubles teams. The rest of the team is young and not tested. Most are involved with the Fairhaven Tennis Association's league and have played in their tournaments.

The girls lacrosse players are looking to improve their 2-18 record from last season.

They have a new ruling that could help them. This will be the first year the SCC conference adopted the sport. Five teams are participating.

Athletic Director Scott Francis returned as a coach this season after starting the program here at FHS five years ago. Prior to that, he coached for seven years at Bourne.

Key starters include goalie Alicia Rego and offensive players Tori Paiva, Heather Macedo, Jess Marmelo, and Alexandra Fonseca. Key defense includes Amy Silvia and Madison Shields.

Dear Jessie,

We are so proud of all that you accomplished in these high school years.
Your persistence to academic excellence has rewarded you with an
acceptance to University of Massachusetts Nursing program. The future
is now yours. You have articulated a clear vision of what you want.
Reach out and seize all the opportunities that are available to you. God
has given you great gifts, Jessie. Use some of these unique talents to give
back to those who are not as fortunate. May you always remember to
bless others with at least one "Daily Act of Kindness."

Congratulations Jessie. You are now a high school graduate. May the
new path that you are about to embark on bless you with all the special
gifts that life has to offer.

Love you so,

Dad, Gail, Elizabeth, Tom, Erin, Michelle Grace & Patrick,
Mamie & Papa, Brandon, Stephanie, Jeffery,
and the entire Freitas and Camara families

Kara,

We are so proud
of the hard work
you put into the many
accomplishments
of your
high school career!

*Love you!
Mom, Dad,
Kaleigh and Cameron*

**Congratulations to the Class of 2012.
We wish you luck in all your future
endeavors. Dream Big!**

Yearbook Staff

Rachael Abrantes
Editor

Dear Class of 2012,

My goal for this yearbook was to make a collection of facts, photos, and timelines where we could look back on our senior year as well as our childhood. Time has flown by faster than anyone could imagine. We are now adults and will make our way in the world with our memories of our childhood and high school to guide us. I hope that this yearbook captured memories and culture that has made our class so special. I wish the entire class of 2012 luck in all future endeavors; I will never forget you.

Today, tomorrow, always,

Rachael Abrantes
